General information for membership application

The club's vision is to actively promote sailing and 'on the water' pursuits for the community, by making best use of our resources in a safe, sustainable and friendly environment. We actively encourage younger members to get involved at all levels. The club consists mostly of people with an active interest in sailing, sail racing, pleasure sailing in dingies or yachts, canoeing, rowing and many other water based activities.

The Club relies on self-help to keep costs low and maintain an inclusive and friendly atmosphere. To this end we hope that all members contribute time to support the club, this could be running a weekend's racing as a race officer, joining a committee, working behind the bar, preparing a bacon sandwich for sailors coming off the water, or being involved in organising a social event.

If you have a particular skill you would like to volunteer then please let us know. Most work is carried out voluntarily by members of the club but for larger and highly skilled jobs the club will employ professionals.
